6.	**Eligibility**	i. Bidders must be registered with **SECP** or **FBR** to participate in the bidding process. ii. Sole proprietors, registered with FBR, are eligible to participate in the bidding process. However, they must demonstrate sufficient financial and technical capacity, including relevant experience, resources, and personnel, to meet the project requirements. Bidders will be evaluated based on bid evaluation criteria while focusing their ability to successfully execute projects of this scale. Bank Statement for the last three financial years is mandatory for sole proprietors. iii. Bidders must submit income tax returns confirming their annual turnover for the last three years, in Pakistani Rupees. The average annual turnover over the last three years should not be less than Rs.10 million. Bidders having an average turnover of less than Rs.10 million per year over the said period shall be deemed as non-responsive.
7.	**Submission and Deadline**	i. Bids shall only be submitted electronically through EPADS. ii. The deadline for uploading bids is 4th September, 2025, by 11:00 a.m.

		iii. The Bids will be opened on the same day at 11:30 a.m. in the presence of the Senate Purchase Committee.
8.	**Proposal Requirements**	i. Bidders must ensure their proposals are complete and fully compliant with the bid evaluation criteria. ii. Incomplete or conditional bids will be rejected out-rightly. iii. All supporting documents required under the evaluation criteria as derived in Form-C, and also under Check List in Part-II of this document must be attached. iv. Bidders applying for any LOT containing multiple items are required to quote the prices for all items listed in that LOT. Furthermore, the successful bidder will be responsible for supplying all items included in the LOT. Any bidder who fails to quote the price of any item within the LOT, or who is unable to supply any of the items listed in the LOT they are participating in, shall have their bid disqualified and it will not be considered for evaluation against that LOT. v. All bid documents must be properly paginated (page numbered in sequence) and accompanied by a Table of Contents reflecting the page numbers of each section/document.
9.	**Attendance at Tender Opening**	Representatives intending to attend the tender opening must notify the **Superintendent (Admn-I)** by **10:00 a.m.** on the due date via telephone at 051-9204159 or 051-9022500 to obtain an entry pass.
10.	**Right to Modify or Cancel**	i. The Senate Secretariat reserves the right to increase or decrease the number and scope of items, subject to compliance under Public Procurement Rules 2004 on the basis of requirement. ii. The tender may be canceled at any stage without prior notice in specific circumstances described below but not limited to, such as: o **Significant changes in procurement requirements**. o **Non-compliance by the bidder** with tender conditions. o **Force majeure events** that prevent the supply of goods as originally outlined.
11.	**Technical Specifications**	i. The Technical Specifications are available in the SBD under Form-A. ii. Bidders must clearly state the brand, model, and specifications of the proposed items in their technical proposals. In case a bidder quotes a brand and also mentions "or equivalent," any such mention shall have no bearing, and only the quoted brand shall be considered for evaluation.
12.	**Bid Currencies**	Prices shall be quoted in **Pak Rupees**.
13.	**Bid Prices**	i. Prices must be submitted on the Financial Bid Evaluation Form issued by the Senate Secretariat, annexed as Form-B. Any deviation shall not be accepted. ii. The Tender Form must be filled carefully, preferably typed. Any alterations/corrections must be signed. iii. Quoted rates must be inclusive of all applicable taxes, duties, etc. Rates quoted without taxes shall be rejected. iv. Quoted rates shall not be changed in any case.

		v. Every page of the tender document must be signed, numbered and stamped.
14.	**Bid Security**	i. The word Bid Security refers to the Earnest Money in this document. ii. Bids must include 3% earnest money of the estimated amount against each participated LOT in the form of a Bank Draft, Pay Order, or CDR issued by a scheduled bank in favor of Assistant Director (Projects), Senate Secretariat, Islamabad. Earnest money shall be submitted to the Procuring Agency at the time of opening of technical bids. iii. Tenders without earnest money will be rejected out-rightly. iv. Unsuccessful bidders' earnest money will be returned after the announcement of final evaluation results. v. The Bid Security of the successful Bidder will be returned when the Bidder has furnished the required Performance Guarantee and signed the Contract Agreement, as mentioned in Sr.No.21.
15.	**Bid Validity**	The Bid price shall remain valid for the FY-2025-26 counted from the date of submission of the Bid specified in S.No.7 above.
16.	**Performance Guarantee**	i. The successful Bidder shall furnish to the Purchaser a Performance Guarantee of not less than 5% of total bid amount against each LOT in the form of Bank Guarantee, or CDR after the receipt of contract agreement and Letter of Acceptance. ii. The Earnest Money of the successful Bidder will be returned when the Bidder has furnished the required Performance Guarantee and signed the Contract Agreement. The performance guarantee shall remain with the Purchaser till the end of warranty period as mentioned at Sr.No.24.
17.	**Provision of Samples**	Every Bidder must provide, along with its technical bid, one sample for every quoted item. Samples should be sealed in a box with name of the bidder clearly mentioned on the box. The Procuring Agency will further carry out evaluation of the samples provided by the bidders. The samples not meeting the required specifications/standards mentioned in the 'Form-A' shall be rejected. The samples of the unsuccessful bidders will be returned after award of contract.
18.	**Correction of Arithmetical Errors**	Arithmetical errors will be rectified on the following basis. • If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. • If the bidder does not accept the correction of the errors, its bid will be rejected. • If there is a discrepancy between words and figures, the amount in words will prevail.
19.	**Evaluation and Comparison of Bids**	i. The Purchase Committee will evaluate and compare substantially responsive bids with the most advantageous evaluated prices. ii. A report justifying acceptance or rejection of bids (Final Evaluation Report) will be announced 10 days prior to the award of the procurement contract in compliance with Rule 35 of PPRA Rules, 2004.
20.	**Abnormally Low Financial**	Where the Bid price is considered to be abnormally low, the Procuring Agency shall perform price analysis either during determination of Most

	Proposal	Advantageous Bid or as a part of the post-qualification process. The following process shall apply: i. The Procuring Agency may reject a Bid if the Procuring Agency has determined that the price in combination with other constituent elements of the Bid is abnormally low in relation to the subject matter of the procurement (i.e. scope of the procurement or ancillary services) and raises concerns as to the capability and capacity of the respective Bidder to perform that contract; ii. Before rejecting an abnormally low Bid, the Procuring Agency shall request the Bidder an explanation of the Bid or of those parts which it considers contribute to the Bid being abnormally low; take account of the evidence provided in response to a request in writing; and subsequently verify the Bid or parts of the Bid being abnormally low; iii. The decision of the Procuring Agency to reject a Bid and reasons for the decision shall be recorded in the procurement proceedings and promptly communicated to the Bidder concerned; and iv. An abnormally low Bid means, in the light of the Procuring Agency's estimate and analyzing all the Bids submitted by all the participating bidders, and not providing a margin for normal levels of profit.
21.	**Award of Procurement Contract**	i. The Senate Secretariat will award the contract to the bidders offering substantially responsive and most advantageous bids (LOT-wise). It is clarified that "lowest bids" does not automatically qualify any bidder as being successful, and is subject to technical qualification. ii. Within 7-15 days of LOI, successful bidders must sign a contract agreement on a stamp paper worth Rs. 100/-.
22.	**Contract Period**	i. The contract period shall be the Financial Year 2025-26, and will be concluded on the end of financial year. However, extension in the contract upto one year can be made subject to satisfactory performance of the Contractor as well as mutual agreement/ consent of both the parties on same terms and conditions of the bid documents. ii. The rates and remunerations as per Financial Bids as Form-B shall be final and there shall be no changes after agreement during the extension period.
23.	**Quality Assurance**	A designated Quality Assurance Team, headed by BS-19 officer, designated by the Secretariat, will conduct inspections to monitor the quality of the supplied goods, verify adherence to quality standards, and ensure compliance with the specifications outlined in the tender documents.
24.	**Warranty**	The supplier shall warrant that all stationery items, computer consumables, office papers, and other miscellaneous items supplied under this contract shall be new, unused, and free from defects in material, workmanship, and quality at the time of delivery. A warranty period of **one (01) year** from the date of delivery shall apply to all supplied items, during which any defective, substandard, or non-conforming item shall be replaced by the supplier at no additional cost.

25.	**Delivery of Equipment**	i. Delivery of items shall be ensured as per following given timelines against each LOT: LOT I: within 15 days LOT II: within 15 days LOT III: within 7 days LOT IV: within 15 days ii. The delivery of the equipment shall be the sole responsibility of the Supplier, to be carried out at their own cost, sources, management, and risk. The procuring agency shall bear no liability for any delays, damages, or losses incurred during the delivery process. iii. The delivery of equipment shall be strictly limited to the latest available models at the time of delivery. The provision of outdated or previous models will not be permitted under any circumstances.
26.	**Delivery Period**	Delivery period against all the LOTs shall be started once the supplies gets received against each LOT.
27.	**Joint Venture**	Joint venture / consortium are not eligible for this tender.
28.	**Arbitration**	In case of any dispute arising out of this contract, the matter shall be referred to the **Secretary Senate of Pakistan**, whose decision shall be final and binding on both parties.

PART-I
(SECTION-II)
BID EVALUATION CRITERIA

TECHNICAL BID EVALUATION CRITERIA

1. The bidder must be duly registered with SECP, or FBR as a firm/company/sole proprietor.

2. Bidders must be NTN/GST registered and listed on the Active Taxpayer List (ATL) of FBR.

3. Bid submission through the E-PADS portal is mandatory. Hard copy submissions will not be accepted.

4. Bidders must submit an affidavit on Rs.100 stamp paper, declaring that they have neither been blacklisted in the last five years, nor any litigation case regarding procurements is pending against them. Additionally, the submitted declaration will be subject to verification, through the relevant central non-blacklist database, which may include cross-referencing with PPRA, SECP, or other applicable records. The Secretariat reserves the right to reject any bid if discrepancies are found during this verification process.

5. Bidders must provide a comprehensive profile of the firm/company/sole proprietor, including:
   i. Full address and contact details of the office.
   ii. Detailed information about the technical capabilities, including technical equipment, staff, and a fully functional office.
6. The Technical Specifications are provided in the uploaded documents. Bidders are required to clearly specify the brand, model, and detailed technical specifications for each item in their technical proposals. Submissions presented in profiles, ordinary forms, or formats other than those specified under Forms A and B will not be accepted.

7. Bidders must have at least five years' experience in the relevant field. Bidders must attach copies of supply orders/work orders as proof of relevant experience in the category of items included in the LOT(s) they are applying for. These documents must clearly mention the nature of items supplied and the date of supply. The date of the oldest supply order attached will be considered for determining the number of years of relevant experience of the firm in the respective LOT category. Bids without relevant experience documents for the respective LOT will be considered non-responsive.

8. Bidders must submit income and sales tax returns confirming their annual turnover for the last three years, in Pakistani Rupees. The average annual turnover should not be less than Rs.10 million. The turnover less than 10 million per year shall be deemed as non-responsive.

9. Bidders must submit an affidavit on Rs.100 stamp paper, duly signed by an Oath Commissioner, confirming that after successfully qualifying the tender and award of the contract, all the quoted items will be supplied within the specified timeframe and following the specifications and terms and conditions laid down in the tender documents and award of the work order. If the supply of items or order is not achieved within the delivery period, the work order earlier issued shall stand cancelled and the amount of the Performance Guarantee shall be forfeited.

10. The Purchase Committee will evaluate the Technical Proposals submitted by the bidders. The bidders qualifying the mandatory requirements as required in the Technical Evaluation criteria will be visited by the Technical Committee, regarding the samples provided.

11. The Technical Committee will be constituted by the competent authority, which will visit the offices to assess the technical capabilities of the bidder. The committee while visiting workshops will also assess the equipment position alongwith the technical staff.

12. The Technical Committee will submit its visit report to the Purchase Committee, alongwith the recommendations.

13. 70% marks will be mandatory requirement to qualify in technical evaluation, as per the technical evaluation score card-Form C.

14. All items delivered must strictly adhere to the latest model available at the time of delivery; under no circumstances will outdated models be accepted.

15. Bidders intending to participate in one or more LOTS must ensure that their bids are submitted specifically under the relevant LOT(s) on the EPADS system. Only the bid(s) submitted under the designated LOT(s) in the EPADS system will be considered valid. If a bidder submits a bid without specifying the LOT or submits it under an incorrect LOT, only the correctly submitted bid(s) will be entertained. The procuring agency will not be held responsible for any irregular or incorrect submission of bids by bidders on the EPADS system. It is the sole responsibility of the bidder to ensure proper submission in the relevant LOT(s).

FINANCIAL BID EVALUATION CRITERIA

1. There are four (04) LOTs in this tender. Any bidder with lowest financial bid will be considered the most advantageous bidder only if he qualifies the technical evaluation.
2. Bidders must submit separate proposals for each LOT. Each item listed under a LOT must be quoted accurately according to Form-B, attached to the tender documents. The contract will be awarded separately for each LOT to the most advantageous bidder. Bidders may choose to participate in one or all LOTs.
3. The bidders must have to submit financial bids in transparent and in accordance with the proforma attached as Form-B. In case the financial bids submission other than the format will not be accepted.
4. The prices quoted in the tender must include all taxes, duties, etc. Failure to account for taxes will result in the rejection of the tender, as it will be considered non-responsive.
5. A copy of 3% earnest money of the quoted amount must be attached with the technical proposals. The details are given under Terms and Conditions.
6. The quoted rates shall be valid for whole financial year 2025-2026, and the extended period.
7. Bidders applying for more than one LOT must submit a separate bid security of 3% for each LOT. A cumulative bid security covering multiple LOTS is not permitted. If a bidder submits a cumulative bid security instead of separate bid securities for each LOT, such submissions will not be entertained, and will lead to disqualification of bidder on grounds of incorrect submission of earnest money. The procuring agency will not be responsible for any loss or

inconvenience caused due to non-compliance with this requirement. It is the sole responsibility of the bidders to ensure that the bid security is submitted correctly and separately for each LOT they are applying for as per the estimated amounts.

8. Bidders applying for any LOT containing multiple items are required to quote the prices for all items listed in that LOT. Any bidder who fails to quote the price of any item within the LOT, they are participating in, shall have their bid disqualified and it will not be considered for evaluation against that LOT.
9. Abnormally low bids shall be identified where prices appear unreasonably below the Procuring Agency's estimate and other bids. In such cases, the bidder will be asked to justify the pricing. If the explanation is unsatisfactory, the bid may be rejected with recorded reasons. The Procuring Agency shall bear no liability for rejecting such bids. An abnormally low Bid means, in the light of the Procuring Agency's estimate and analyzing all the Bids submitted by all the participating bidders, and not providing a margin for normal levels of profit.

PART-I
(SECTION-III)
GENERAL CONDITIONS OF CONTRACT

GENERAL CONDITIONS OF CONTRACT

1. The successful bidder shall be required to deliver the goods within the stipulated time frame specified for each LOT.

2. The successful bidder will be responsible for supplying all items at the approved/quoted rates, in strict accordance with the specifications. Once quoted and approved, the rates will remain fixed and cannot be altered under any circumstances, till the expiry of contract.

3. If any items provided are found to be substandard, defective, or non-compliant with the quoted specifications, the bidder will face strict penalties under Senate and PPRA Rules. This may include contract cancellation, forfeiture of performance guarantee, and blacklisting of the bidder.

4. In the event of delays in delivery or violation of any terms and conditions of the tender, the work order earlier issued shall stand cancelled and the amount of the Performance Guarantee shall be forfeited. Additionally, the contract may be cancelled for the incomplete portion of supplies. Once the contract is cancelled, no further supplies or continuation of work will be accepted. The successful bidder shall provide the same on an affidavit, on Rs. 100 stamp paper, duly signed by an Oath Commissioner.

5. The contractor shall provide a warranty for a period of one (01) year after the successful delivery of the items and completion of work for each LOT. During this warranty period, the contractor shall ensure the repair or replacement of any defective or substandard materials, equipment, or services without any additional cost to the procuring agency. The performance guarantee as given by the successful bidder shall remain with the Senate Secretariat till the end of Warranty period.
6. The delivery of all items shall strictly conform to the latest model available at the time of delivery. The provision of outdated or superseded models is expressly prohibited and will not be accepted.
